

MEDICINE CABINETS

Jenson craftsmanship is evident in every detail of these medicine cabinets, from the hinges and pulls to the 1/4" safety backed mirrors. These surface mounted medicine cabinets (one recessed model available) are finished in stain colors to compliment your Jenson vanity. Interior white shelves are easy to clean and provide ample storage for all your immediate bathroom necessities. Magnetic "touch-latches" provide convenient access.

FRAMED BEVELED MIRRORS

Ideal for use with wall sconces or over the mirror lighting applications where surface mounted medicine cabinets aren't practical.

With a choice of a traditional, decorative style frame or a contemporary, square edged frame, these beveled mirrors are framed in select grade, mitered, solid oak, beech, maple, cherry and white thermo-foil finishes to compliment all Jenson vanity finishes. These mirrors are available in 4 sizes and ship with installation hardware and easy to follow mounting instructions.

Medicine Cabinets

Crown molding is optional for all medicine cabinets except the CORNER (MC900) and RECESSED (MC200) models. Crown molding if ordered, will be attached to the cabinetry unless otherwise specified. It extends over the side edges by $\frac{3}{4}$ " the front edge by 1" and adds $\frac{3}{4}$ " to the height.
